Career Objective

Aspiring Full-Stack Web Developer with a strong foundation in JavaScript, React, Flask, and MySQL. Passionate about building scalable web applications and AI-integrated projects, with hands-on experience in freelance development and hackathons. Seeking an internship opportunity to apply and expand my skills in a professional environment.

Education

ICCT Colleges

Bachelor of Science in Computer Science

Expected Graduation: December 2025

Technical Skills

- **Programming Languages:** JavaScript, Python
- **Web Development:** React, Tailwind CSS, Flask, Express.js, Node.js, Vite
- **Databases:** MySQL, SQLite , MonggoDB
- **AI & Data Handling:** Ollama, DeepSeek Model, OpenAI API
- **UI/UX Design:** Figma, Tiled , Adobe XD

Work & Internship Experience

Freelance Developer – Local Development for Thesis Projects

- Developed and deployed AI-integrated web applications for thesis research.
- Collaborated with developers on various projects, ensuring high-quality deliverables.

Collaboration & Hackathon Experience

- **Neon Chatbot:** Designed UI/UX for a chatbot fine-tuned with ICCT data using OpenAI.
- **ESKWELABS BPI Hackathon:** Developed AI solutions tailored for Micro, Small, and Medium Enterprises (MSMEs) using Ollama and trained datasets.
- **APPCON 2025:** Contributed to UI/UX and AI integration for an educational platform using Ollama with DeepSeek Model.

Projects

- **Local AI for ICCT Colleges** – Built using React, Tailwind, Flask, and SQLite.
- **Portfolio Website** – Designed and developed a personal portfolio using React and Tailwind CSS.
- **Weather App** – Implemented a real-time weather application using React, Tailwind, and Weather API.
- **ICCT Arcade Trash Game** – Created an arcade-style game using Pygame, Python, SQLite, and Tiled.

Certifications

- **Next Gen Development with Java & Generative AI** – Certificate of Attendance, MAYA Philippines (Nov 9, 2024).
- **Responsive Web Design** – FreeCodeCamp (March 2024).
- **Certificate of Appreciation** – ICCT Colleges.
- **BPI - D.A.T.A Wave 2024 Hackathon** – Participant (Sept 10 – Nov 15, 2024).

Soft Skills

- Teamwork
- Adaptability
- Problem-Solving
- Leadership & Project Management

Extracurricular Activities & Organizations

Computer Explorer Society (CES) – ICCT Colleges

- **Position:** Project Manager
- Organized and managed tech-related events, workshops, and development projects.
